

Collégiens Reading. A

The troll lives under the bridge. It is green and ugly. It has claws and orange hair. It wants to eat the goats. The goats want to cross the bridge to eat the green grass. The goats trick the troll.

They are in the field of green grass. A large donkey and a small donkey are in the field with the goats.

The troll is angry. He is in the river. He doesn't like the goats. He asks the magic fish to help him.

The fish agrees.

He says, "How can I help you?" The troll says, " Make a lion arrive in the field. He will attack and eat the goats!"

The big lion arrives in the field and he roars. Quickly, the goats and donkeys run away. They are terrified but the lion does not attack them. The lion goes to the river and attacks the troll! The injured troll runs away. The magic fish smiles at his friend the lion. Thank you for getting rid of my enemy the troll!
