

There are 3 billy goats : a large goat, a medium goat and a small goat. They want to cross the bridge to eat the grass in the field.

BUT an ugly troll lives under the bridge. The troll wants to eat the goats!

The small goat walks on the bridge. It looks at the troll's big teeth and claws. The goat says, "Please let me pass to eat the green grass."

But the troll says,

"No, I'm hungry and I want to eat you!"

The goat replies,

"Don't eat me. Eat my brother instead. He is bigger."

The small goat crosses the bridge and eats the grass.

Next the medium goat walks on the bridge. It sees the ugly troll and the goat says:

"Please let me pass to eat the green grass."

But the troll says,

"No, I'm hungry and I want to eat you!"

The goat replies,

"Don't eat me. Eat my big brother instead."

The troll lets the medium goat cross the bridge.

Finally the large goat goes on the bridge.

"I'm going past to eat the green grass."

"No," said the troll, "I'm going to eat you!"

"Oh no, you're not!" said the large goat.

The goat attacks the troll with his horns and the angry troll falls in the river!
